2. Approval of Agenda (Decision): Agenda approved.

3. Approval of Minutes (Information/Decision): Minutes approved from Nov '21 meeting

4. Review of Student Success Plan (Discussion):

Overall, the ELA, Mathematics and Well-Being components of our SSP plan will focus on success for all students across all grade levels. For ELA, teachers are working towards a common assessment. In Math, the goal is to have all students meet the expectations. Our 'well being' goal is looking to survey students about their mental health, as it pertains to school. The staff will look for common concerns from the survey results and create groups to further explore and open discussion around these commonalities.
